

## Side Letter of Agreement

September 11, 2024

This is a Side Letter of Agreement between the Association of Colton Educators (ACE) and the Colton Joint Unified School District (the District).

Due to the Wildfire natural emergency, a need has arisen to address a concern regarding the initial evaluation timeline language in **Article 10 - Evaluation, Articles 10.1c. and 10.1c.3d.**

The emergency occurred around what would be the 30th instructional day of the school work year and could not have been foreseen. This Side Agreement intends to allow the time needed to meet the intent of Articles 10.1.c and 10.1c.3d.

For this specific emergency only, the ACE and the District agree to the following:

If the unit member is not available in person or electronically on the day of the formal notice deadline as described in Article 10.1.c., and 10.1c.3d., the thirty (30) days and the forty (40) days shall be extended by the number of days not available.
